- 1.9.1 A person may make application to the Development Officer for amendment to this Land Use Bylaw. The application shall include:
- (a) A statement of the specific amendment requested;
 - (b) The purpose and reasons for the application;
 - (c) If the application is for a change of District, the legal description of the lands, or a plan showing the location and dimensions of the lands;
 - (d) The applicant's interest in the lands; and
 - (e) An application fee established by resolution of Council.
- 1.9.2 If the amendment is for a redesignation of land, the Development Officer may require:
- (a) An outline plan for the area to be redesignated, to the level of detail specified by the Development Officer; and
 - (b) Payment of a fee equal to the costs incurred by the Municipality to review the proposed redesignation and/or related outline plan, or if necessary to prepare an outline plan.
- 1.9.3 Upon receipt of an application for amendment to this Land Use Bylaw, the Development Officer shall determine when the application will be placed before the Council and shall issue not less than 10 days' notice to the applicant advising that he may appear before the Council at that time, and speak to the application. An application for amendment shall be placed before the Council within 60 days of its receipt by the Development Officer.
- 1.9.4 The Council, in considering an application for an amendment to this Land Use Bylaw, may at its sole discretion:
- (a) Refuse the application; or
 - (b) Refer the application for further information; or
 - (c) Pass first reading to a bylaw to amend this Land Use Bylaw, with or without conditions or amendments; or
 - (d) Defeat first reading of a bylaw to amend this Land Use Bylaw; or
 - (e) Pass first reading of an alternative amendment to this Land Use Bylaw, with or without conditions.
- 1.9.5 Following first reading of an amending bylaw, the Council shall:
- (a) Establish the date, time and place for a public hearing on the proposed bylaw;
 - (b) A bylaw to establish procedures for public hearings has not been passed:
 - (i) Outline the procedures to be followed by any person, group of persons or

- person representing them who wish to be heard at the public hearing, and
- (ii) Outline the procedure for conducting the public hearing.
- 1.9.6 Following first reading of an amending bylaw, the Development Officer must give notice of the public hearing by:
- (a) Publishing notice at least once a week for 2 consecutive weeks in at least one newspaper or other publication circulating in the area to which the proposed bylaw relates, or
 - (b) Mailing or delivering notice to every residence in the area to which the proposed bylaw relates must be postmarked at least 10 days prior to the public hearing.
- 1.9.7 Where a notice is given in 1.9.6(a), a notice of a public hearing must be advertised at least 5 days before the public hearing occurs.
- 1.9.8 A notice must contain:
- (a) A statement of the general purpose of the proposed bylaw and public hearing,
 - (b) The address where a copy of the proposed bylaw and any document relating to it or the public hearing may be inspected,
 - (c) The date, place and time where the public hearing will be held.
- 1.9.9 In the case of an amendment to change the district designation of a parcel of land, the Development Officer must, in addition to the requirements of subsection 1.9.6,
- (a) include in the notice
 - (i) the municipal address, if any, and the legal address of the parcel of land, and
 - (ii) a map showing the location of the parcel of land,
 - (b) given written notice containing the information described in clause (a) and subsection 1.9.6 to the assessed owner of that parcel of land at the name and address shown in the assessment roll of the municipality, and
 - (c) give written notice containing the information described in clause (a) and subsection 1.9.6 to each owner of adjacent land at the name and address shown for each owner on the assessment roll of the municipality.
- 1.9.10 If the land referred to in subsection 1.9.9(c) is in the County of Stettler, the written notice must be given to that municipality and to each owner of adjacent land at the name and address shown for each owner on the tax roll of the County of Stettler.
- 1.9.11 Notwithstanding subsection 1.9.5, of Land Use Bylaw may be amended without giving notice or holding a public hearing if the amendment corrects clerical, technical, grammatical or typographical errors and does not materially affect the Land Use Bylaw in principal or substance.
- 1.9.12 In the public hearing, the Council:
- (a) Must hear any person, group of persons, or person representing them, who claims to be affected by the proposed bylaw and who has complied with the procedures outlined by Council, and
 - (b) May hear any other person who wishes to make representations and whom the

Council agrees to hear.

- 1.9.13 After considering the representations made to it about the proposed bylaw at the public hearing and after considering any other matter it considers appropriate, Council may:
- (a) Pass the bylaw;
 - (b) Refer it for further information or comment;
 - (c) Make any amendment to the bylaw it considers necessary and proceed to pass it without further advertisement or hearing; or
 - (d) Defeat the bylaw.
- 1.9.14 Prior to third reading of the proposed bylaw, Council may require the applicant to apply for a development permit and negotiate a development agreement in respect of the proposal which initiated the application for amendment.
- 1.9.15 After third reading of the proposed bylaw, the Development Officer shall send a copy of it to:
- (a) The applicant;
 - (b) The registered owner of the land if not the applicant;
 - (c) County of Stettler, if it received a copy of the proposed Bylaw pursuant to subsection 1.9.9.
- 1.9.16 In this section, “owner” means the person shown as the owner of land on the assessment roll prepared pursuant to the Municipal Government Act.
- 1.9.17 The Development Officer shall not accept an application for amendment which is identical or similar to an application which was refused by Council, for a period of 6 months after the date of the refusal unless, in the opinion of the Development Officer, the reasons for refusal have been adequately addressed or the circumstances of the application have changed significantly.

1.10 Sections Found Invalid

If one or more provisions of this Land Use Bylaw are for any reason declared to be invalid, it is intended that all remaining provisions are to remain in force and effect.

1.11 Measurements

All measurements in this bylaw are metric. Imperial equivalents are provided for convenience only.

1.12 Establishment of Fees

The development permit application fee and fees for other matters arising through this land use bylaw shall be established by resolution of Council. Council may at any time by resolution increase, decrease, or establish new fees for matters covered in this Bylaw.

- 2.2.1 The carrying out of works of improvement, maintenance or renovation to any building provided that such works do not include structural alterations or additions;
- 2.2.2 The completion of any development which has lawfully commenced before the passage of this Land Use By-law or any amendment thereof, provided that the development is completed in accordance with the terms of any permit granted in respect of it, and provided that it is completed within 12 months of the date of commencement;
- 2.2.3 The demolition of any accessory building that has a floor area less than 13.38 m² (144 ft²);
- 2.2.4 The use of any such development as is referred to in subsection (2) for the purpose of which development was commenced;
- 2.2.5 A temporary building, the sole purpose of which is incidental to the carrying out of a development for which a permit has been issued under this Land Use By-law and has been approved with the development permit issued;
- 2.2.6 The installation, maintenance and repair public works, public services and public utilities;
- 2.2.7 One accessory building used as a garden or tool shed, such building does not exceed 13.38 m² (144 ft²) in floor area and 3.0 m (9.8 ft) in height, such building may require a provincially legislated building permit.
- 2.2.8 The erection of one unilluminated sign of the following nature and size for each use within a building or on a parcel, provided such signs do not resemble or conflict with traffic signs:
 - (a) A signboard for the purpose of identification, direction and warning not exceeding 0.2 m² (2.15 ft²),
 - (b) A temporary signboard or notice, relating to the sale or lease of land or buildings, sale of goods by auction, carrying out of construction, or the announcement of any local event of a religious, educational, cultural, political, or governmental nature not exceeding 0.5 m² (5.38 ft²),
 - (c) A flag attached to a single upright flag-pole.
- 2.2.9 The use of a parcel developed for a detached dwelling for the parking of a maximum of one recreational vehicle for 30 consecutive days or less for the use of accommodations.
- 2.2.10 The use of a parcel developed for a detached dwelling for the parking of a maximum one recreational vehicle (at a given time) for storage purposes only.
- 2.2.11 The removal of trees on private property for the purpose of general yard maintenance and landscaping; and that the removal is not in conjunction with a permit for development.
- 2.2.12 Development specified in the Municipal Government Act, which includes:
 - (a) A highway or road,
 - (b) A well or battery within the meaning of the Oil and Gas Conservation Act,
 - (c) A pipeline or an installation or structure incidental to the operation of a pipeline, or
 - (d) Any other action, person, or thing specified by the Lieutenant Governor in Council

by regulation.

2.3 Permission for Development

2.3.1 An application for a development permit shall be made to the Development Officer in writing on the form prescribed by Council and shall be accompanied by:

- (a) A scaled site plan in duplicate showing the treatment of landscaped areas if required, the legal description, the front, rear, and side yards, if any; any provision for off street vehicle parking and access and egress points to the parcel;
- (b) Scaled floor plans, elevations and sections in duplicate; and sewage disposal plans;
- (c) A statement of existing and proposed uses;
- (d) A copy of Title to the land and, if the applicant is not owner, written consent of the owner to the application;
- (e) The estimated commencement and completion dates;
- (f) Such other plans and information as the Development Officer may consider necessary to properly evaluate the proposed development.

2.3.2 The Development Officer may refuse to accept an application for a development permit where the information required by subsection 2.3(1)(a-f) has not been supplied or where, in the opinion, the quality of the material supplied is inadequate to properly evaluate the application.

2.3.3 The Development Officer may deal with an application and make a decision without all of the information required by subsection 2.3(1)(a-f), if he/she is of the opinion that a decision on the application can be properly made without such information.

2.3.4 Each application for a development permit shall be accompanied by a non-returnable processing fee, the amount of which shall be determined from time to time by resolution of Council.

2.3.5 The Development Officer shall:

- (a) Receive all applications for a development permit; and
- (b) Refer all applications for development which would result in permanent overnight accommodation, including dwellings, or public facilities to the Alberta Energy and Utilities Board, if any of the land which is the subject of the application is within 1.5 km (0.93 miles) of a sour gas facility and the proposed development is not, in the opinion of the Development Officer, an infill development; and
- (c) Consider and decide on applications for a development permit for those uses, listed in Schedule C, which constitute a permitted use or a discretionary use in a District.

2.3.6 For a permitted use in any District:

- (a) The Development Officer shall approve, with or without conditions, an application for a development permit where the proposed development conforms in every respect to this Land Use By-law, or

- (b) Subject to the provisions of subsection 2.3.6 (a) the Development Officer shall refuse an application for a development permit if the proposed development does not conform in every respect to this Land Use By-law.

2.3.7 For a discretionary use in any District:

- (a) The Development Officer may approve, with or without conditions, an application for a development permit where the proposed development conforms in every respect to this Land Use By-law; or
- (b) Subject to the provisions of subsection 2.3.7 (a) the Development Officer shall refuse an application for a development permit if the proposed development does not conform in every respect to this Land Use By-law.

2.3.8 The Development Officer may require with respect to a development that the applicant enter into an agreement with the municipality to do all or any of the following:

- (a) Submit a Real Property Report of the property to be developed at the completion of foundation or upon completion of the development.
- (b) To construct or pay for the construction of a road required to give access to the development; or
- (c) To construct or pay for the construction of pedestrian walkway systems; or
- (d) To install or pay for the installation of utilities other than telecommunications systems or works, that are necessary to serve the development; or
- (e) To construct or pay for the construction of:
 - (i) Off street or other parking facilities; and
 - (ii) Loading and unloading facilities.
- (f) To pay an off-site levy or redevelopment levy imposed by by-law; or
- (g) To provide security to ensure compliance with this bylaw and ensure all work is completed as approved.
- (h) To provide security to ensure the repair/replacement of any damaged infrastructure including but not limited to roads, driveways, services, trees, and etc.
- (i) To give security in the amount of 5% of the project value, as determined by the safety codes valuation of construction value per ft² as amended from time to time, for each dwelling unit to ensure that the terms of the agreement under this section are carried out:
 - (i) Detached Dwelling – 50% refunded at completion of foundation, 50% refunded upon completion of permanent siding, roofing, windows and doors to dwelling lock up.
 - (ii) RTM – 50% refunded at installation on foundation, 50% refunded upon completion of project including proof of final inspection
- (j) To pay to the Municipality the costs for any engineer or other person for materials testing, inspections, monitoring of construction and review of construction

drawings, and legal costs and expenses to which the municipality is put in connection with the Development Agreement and the Agreement relates.

- 2.3.9 In the case where an application for a development permit has been refused pursuant to this PART, the submission of another application for a permit on the same property and for the same or similar use of land by the same or any other applicant may not be accepted by the Development Officer for at least 6 months after the date of the final decision.
- 2.3.10 Any application for development permit shall, at the option of the applicant, be deemed to be refused when a decision thereon is not made on it by the Development Officer within 40 days after receipt of the application by the Development Officer and the person claiming to be affected may appeal in writing as provided for in this PART of this Land Use By-law as though he/she had received a refusal at the end of the period specified in this subsection.

2.4 Variance Authority

- 2.4.1 The Municipal Planning Commission may allow a variance of any standard prescribed in this bylaw provided the variance complies with the requirements of the Alberta Building Code, and the variance does not:
- (a) unduly affect the neighbourhood which includes variances for non-conforming buildings.
 - (b) materially interfere with or affect the use, enjoyment or value of neighbouring parcels of land, and
 - (c) the proposed development conforms to the use prescribed for the land in this bylaw.
- 2.4.2 In considering a variance the Municipal Planning Commission shall:
- (a) Not grant a variance which would infringe the Airport zoning regulations; and
 - (b) Not grant a variance which would infringe the floodway/flood fringe regulations; and
 - (c) Have regard to the purpose and intent of the district and the nature and value of developments on adjacent properties
 - (d) If a variance is granted, the Development Authority shall specify its nature in the development permit approval.

2.5 Development Permits and Notices

- 2.5.1 A permit issued does not come into effect until 21 Days after the date on which notice of issuance of the permit is given under subsection 2.5.4, and any development proceeded with by the applicant prior to the expiry of this period is done solely at the risk of the applicant.
- 2.5.2 The date of issue of any permit shall be the date of notification pursuant to subsection 2.5.4.
- 2.5.3 Where an appeal is made pursuant to Section 2.7 of this PART, a development permit which has been issued shall not come into effect until the appeal has been determined and the permit may be modified or nullified thereby.
- 2.5.4 On the same date a development permit is issued, the Development Officer shall publicize a notice of the issuance of the permit in any or all of the forms described as follows:

- (a) Mail a notice of the decision to all persons who reside within 61 m (200 ft) of the proposed development and any other person who in his/her opinion may be affected, and/or
 - (b) Post a notice of the decision conspicuously on the property for which the application has been made; and/or
 - (c) publish in a newspaper circulating in the municipality a notice of the decision.
- 2.5.5 If the development authorized by a permit is not commenced within 12 months from the date of its issue, or the date of decision of the Development Appeal Board, or carried out with reasonable diligence as determined by the Development Officer, the permit ceases to be effective, unless an extension to this period, being no longer than an additional 12 months, has previously been granted by the Development Officer.
- 2.5.6 A decision of the Development Officer on an application for a development permit shall be given in writing and a copy of it sent to the applicant.
- 2.5.7 When the Development Officer refuses an application for a development permit, the decision shall contain reasons for the refusal.

2.6 Contravention

- 2.6.1 For the information of readers, the provisions of this Bylaw may be enforced by way of stop order, injunction or such other relief as may be available under the Municipal Government Act and include those described in the following sections.
- 2.6.2 If the Development Officer finds that a development, land use or use of a building is not in conformity with:
- (a) The Land Use Bylaw, the Municipal Government Act or Subdivision and Development Regulation; or
 - (b) A development permit or subdivision approval;
- 2.6.3 the Development Officer may, by written notice, order the owner, the person in possession of the land or building, or the person responsible for the contravention, or any or all of them, to:
- (a) Stop the development or use of the land or building in whole or in part as directed by the notice;
 - (b) Demolish, remove or replace the development; or
 - (c) Maintain the land and/or building(s) in a safe condition, free from rubbish and debris;
 - (d) Carry out other actions required by the notice so that the development or use of the land or building complies with the Land Use Bylaw, the Municipal Government Act or Subdivision and Development Regulation, a development permit or subdivision approval; and in such order establish a time for reasonable compliance with such order.
- 2.6.4 If a person fails or refuses to comply with an order under subsection 2.6.1 or an order of the Subdivision and Development Appeal Board made pursuant to the Municipal Government Act, the municipality may enter on the land or building and take any action necessary to carry out the order, and the cost of such recovery shall be added to the tax roll.

2.6.5 The municipality may register a caveat under the Land Titles Act in respect of an order referred to in subsection 2.6.1 against the certificate of title for the land that is the subject of the order, but if it does so the municipality must discharge the caveat when the order has been complied with.

2.7 Appeal Procedure

An appeal of an order, a decision or a failure to make a decision of the Development Officer may be made in writing to the Subdivision and Development Appeal Board in accordance with the provisions set forth in the Subdivision and Development Appeal Board By-law.

2.8 Offences and Penalties

2.8.1 A person who contravenes or does not comply with:

- (a) The Land Use By-law;
- (b) The Municipal Government Act;
- (c) The Subdivision and Development Regulation;
- (d) An order under Section 2.6 of this By-law;
- (e) A development permit or subdivision approval, or a condition therein;
- (f) A decision of the Subdivision and Development Appeal Board; or
- (g) Who obstructs or hinders any person in the exercise or performance of his/her powers or duties under this Land Use By-law; is guilty of an offence.

2.8.2 A person who is guilty of an offence referred to in subsection 2.8.1 above is liable to a fine of not more than \$10,000.00 or to imprisonment for not more than one year, or to both fine and imprisonment.

2.8.3 Where a Bylaw Enforcement Officer reasonably believes that a person has contravened any provision of this Bylaw, the Bylaw Enforcement Officer may, in addition to any other remedy at law, serve upon the person a violation ticket, in the form provided under the Provincial Offenses Procedures Act, allowing payment of the specified penalty for a particular offense as provided in Schedule "D" of this Bylaw, and the recording of such payment by the Provincial Court of Alberta shall constitute acceptance of a guilty plea and the imposition of a fine in the amount of the specified penalty.

2.8.4 Where a person is convicted of a second, third or subsequent offense under a particular section of this Bylaw, and where that offense has occurred within 12 months after the date of occurrence of the first offense under that section of this Bylaw, the specified penalties applicable upon conviction shall be the amount set out in columns two and three, respectfully, of Schedule "D".

2.8.5 Where the Council or persons appointed by it carries out an order, Council shall have the costs thus incurred placed on the tax roll as an additional tax on the property

2.8.6 This section shall not prevent any Bylaw Enforcement Officer from issuing a violation ticket requiring a court appearance of the defendant, pursuant to the provisions of the Provincial Offense Procedures Act, or from laying of information in lieu of issuing a violation ticket.

2.8.7 Where a person is found guilty of an offense under this Bylaw, the court may in addition to

any other penalty imposed, order the person to comply with this Bylaw, or a development permit or condition attached thereto.

- 2.8.8 Development permit applications submitted after site preparation or construction has commenced may be subject to the double fee provisions described in the fee schedule adopted by Council resolution in accordance with section 1.12.

2.9 Compliance with other Legislation

- 2.9.1 Compliance with the requirements of this Land Use By-law does not exempt any person from:

- (a) The requirements of any federal, provincial or municipal legislation; and
- (b) Complying with any easement, covenant, agreement or contract affecting the development.

2.10 Repeal

This bylaw hereby repeals Land Use By-law No. 153-15 and all amendments.

2.11 Date of Commencement

- 2.11.1 This Land Use By-law comes into effect upon the date of it finally being passed.

- 2.11.2 Schedules A, B, C and D are deemed to be part of this Land Use By-law.

SCHEDULE A

LAND USE DISTRICT MAP (Figure A.1)

SCHEDULE B

SUPPLEMENTARY REGULATIONS

1. Air Conditioning Units

- 1.1 Freestanding air conditioners shall adhere to the following:
 - 1.1.1 They shall not be permitted to encroach into the minimum side yard for the principal building;
 - 1.1.2 Where possible, they shall be located either in the rear or front yard of the property; and
 - 1.1.3 Plans showing installation of sound reduction and/or visual screening shall be required if, in the opinion of the Development Officer, the location of the freestanding air conditioner may affect the quiet enjoyment of adjacent properties including if they are proposed to be located within 5 m (16.4 ft) of a window existing at the date of application on an adjacent lot.

2. Buildings

- 2.1 Accessory Buildings (see definitions section, page 5)
 - 2.1.1 Subject to the provisions of subsections 2.1.2 to 2.1.3 and 2.1.5 of this Section, accessory buildings shall be sited having regard to their:
 - a. Environmental impact, Use, Accessibility; and
 - b. Location in relation to other buildings on the parcel and the future use and/or subdivision of the parcel.
 - 2.1.2 An accessory building on a parcel abutting the lake or a reserve parcel abutting the lake shall be situated so that:
 - a. The exterior wall is not, in whole or in part, closer than 2.0 m (6.56 ft) from side, rear and front parcel boundaries.
 - 2.1.3 An accessory building on a parcel which does not abut the lake or a reserve parcel abutting the lake shall be situated so that the exterior wall is:
 - a. 2.0 m (6.56 ft) from side and rear parcel boundaries; and
 - b. 9 m (29.5 ft) from the front parcel boundary.
 - 2.1.4 An accessory building shall not be more than 6.5 m (21.3 ft) in height.
 - 2.1.5 Notwithstanding subsection 2.1.2 of this section, no accessory building, or portion thereof, shall be erected or placed within the front yard of a lakeside parcel, except for an accessory building described in Part Two, Section 2.2.7 of this Bylaw.
 - 2.1.6 Portable Storage Units shall not be allowed within the Summer Village.
 - 2.1.7 Temporary structures including a garage tent or yurt shall not be allowed within the Summer Village.
 - 2.1.8 Any building into which a vehicle may enter shall have a driveway accessing the building of at least 6 m (19.69 ft) in length. The driveway shall be connected to the vehicle access point of the building.
 - 2.1.9 The maximum number of accessory buildings permitted on a parcel is three and that the combined total area does not exceed 12% of the total parcel area.
- 2.2 Building Orientation and Design
 - 2.2.1 All detached dwellings, RTMs, accessory buildings, unenclosed verandas, porches and balconies erected or placed on a parcel shall be designed and sited such that, in the opinion of the Development Officer, the development will not cause any

material loss of privacy, sunlight or daylight enjoyed by the users of adjacent buildings or parcels.

- 2.2.2 All buildings erected or placed on a parcel shall be constructed of new materials only.
- 2.2.3 The exterior finish on all buildings shall be of permanent material, satisfactory to the Development Authority.
- 2.2.4 The design, character and appearance of any building, structure or sign proposed to be erected or located in any District must be acceptable to the Development Authority having due regard to:
 - a. Amenities such as daylight, sunlight and privacy;
 - b. Compatibility with the design and appearance of existing development in the vicinity, including but not necessarily limited to, the facing materials, roof pitches, eave depth, building mass and architectural detailing; and
 - c. The building effect of adjacent parcels.

3. Demolition of Dwelling and Accessory Building Greater than 144 ft²

- 3.1 Upon application for the building demolition, the Development Officer may require a demolition plan detailing the following:
 - 3.1.1 footprint of building and site plan of property on which the building is to be demolished;
 - 3.1.2 measures to be taken to ensure that the demolition is done in a safe and efficient manner and what measures are to be taken to ensure the disturbance and nuisances (dust, noise, debris, traffic, etc.) as a result of the demolition are mitigated or minimal;
 - 3.1.3 timelines for completion of demolition and site restoration project;
 - 3.1.4 salvage operation and stockpiling of building demolition material and fill from excavation; and
 - 3.1.5 where materials from the site will be hauled to ensure proper disposal.

4. Development in Proximity to Oil and Gas wells

- 4.1 In accordance with the Subdivision and Development Regulation, no building shall be constructed within 100 m (328.1 ft) of the well head of a gas or oil well, unless, in the opinion of the Development Officer, may be considered an infill development or is otherwise approved in writing by the Alberta Energy and Utilities Board.

5. Development Setbacks from Landfills and Waste Sites

- 5.1 In accordance with the Subdivision and Development Regulation, a school, hospital, food establishment or residence must not be approved and a residence must not be constructed if the building site is within the distances from a sanitary landfill, modified sanitary landfill, hazardous waste management facility, dry waste site, waste processing site, waste storage site, waste sorting station or waste transfer station specified in the Subdivision and Development Regulation, and
- 5.2 In accordance with the Subdivision and Development Regulation, a sanitary landfill, modified sanitary landfill, dry waste site, hazardous waste management facility, waste processing site, waste storage site, waste sorting station or waste transfer station must not be approved within the distances from the property boundary of a school, hospital, residence, or food establishment

specified in the Subdivision and Development Regulation, unless the development is approved in writing by the Deputy Minister of the Department of Environmental Protection.

6. Fencing

6.1 Non-Lakeside Parcel

6.1.1 A fence located within a rear or side yard of a non-lakeside parcel shall not exceed 2.0 m (6.6 ft) in height.

6.1.2 A fence located within the front yard (facing road) of a non-lakeside parcel shall not exceed 1.2 m (4.0 ft) in height.

6.2 Lakeside Parcel

6.2.1 A fence located within a front or side yard of a lakeside parcel shall not exceed 2.0 m (6.6 ft) in height.

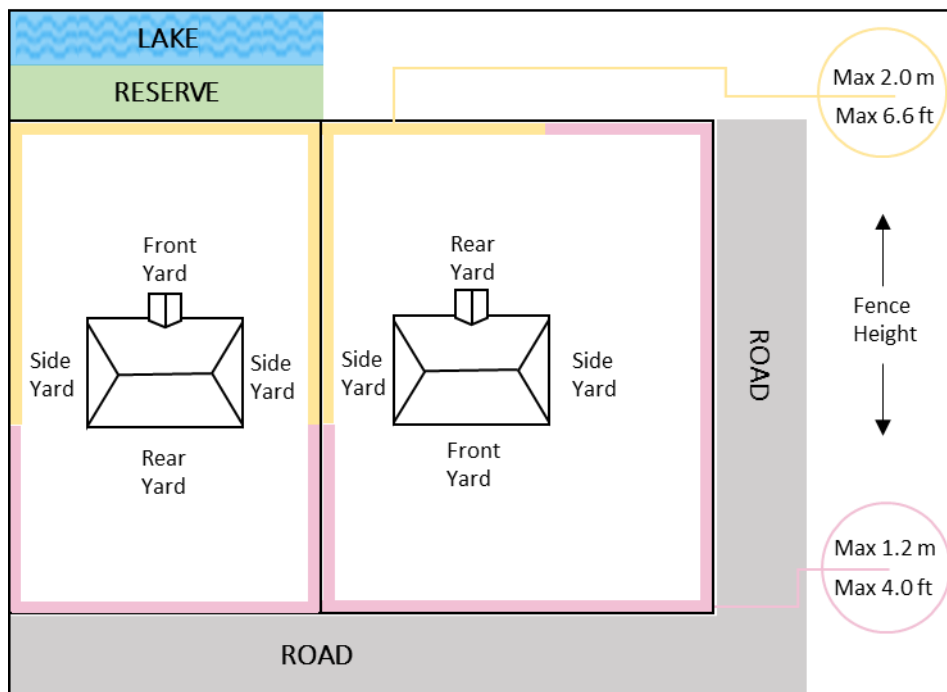

6.2.2 A fence located within the rear yard (facing a road) of a lakeside parcel shall not exceed 1.2 m (4.0 ft) in height.

6.5 A fence located within the side yard of a corner residential parcel abutting a flanking street shall not exceed 1.2 m (4.0 ft) in height.

6.6 A fence located upon a non-residential parcel shall be sited to the discretion of the Development Officer.

6.7 The construction of barbed wire fencing shall be restricted to parcels containing agricultural uses.

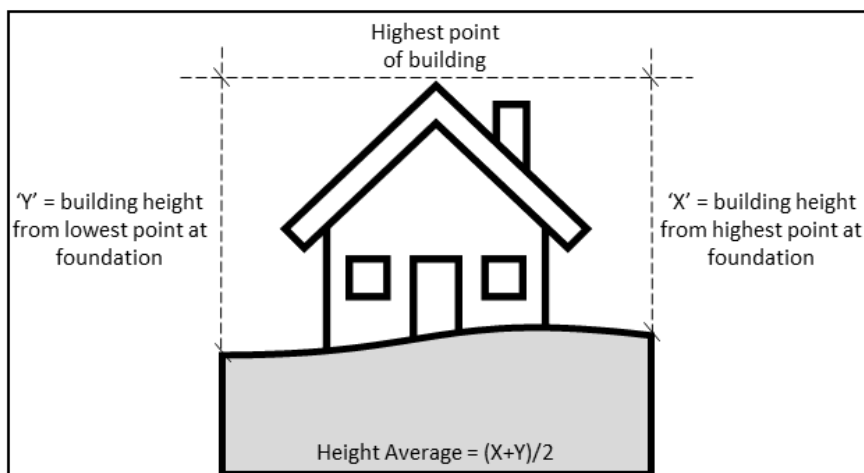

Fence Height Requirements (Figure 6.1)

7. Finished Grade Elevation

- 7.1 If the height of a building is required to be measured or determined it shall be measured by calculating the average building height from lowest grade point at foundation, or the average building height from lowest grade point at foundation in the case of a sloping grade as determined by Figure 7.1.
- 7.2 In determining the highest points of a building, the following structures shall not be considered to be part of the building: an elevator housing; mechanical housing; roof stairway entrance; ventilations; a skylight; a steeple; a smokestack; a parapet wall, or a flagpole or similar device not structurally essential to the building.

Building Height Calculations (Figure 7.1)

8. Fire Smart

- 8.1 All roofing materials on new, replacement or retrofitted dwellings and accessory buildings shall have a minimum Class C Underwriters Laboratory Canada fire rating. Note wood shakes can meet the Class C rating only when treated prior to installation.
- 8.2 All new dwellings and accessory buildings with exposed undersides and/or raised decks and porches less than 2 metres from ground level shall be sheathed from the floor level to the ground level to prohibit the entry of sparks and embers under the structure.
- 8.3 No brush piles greater than 2 metres in diameter and 1 metre in height shall be allowed on the property.

9. Home Occupations

- 9.1 Home occupations are to be located within the main residential building and are prohibited within any accessory building sited on the same parcel; and
 - 9.1.1 A home occupation shall not include any use or operation which detracts from the amenities of a residential neighbourhood, by way of creating dangerous or objectionable conditions; and

- 9.1.2 A home occupation shall not include the production or retail of cannabis or cannabis related products, bitcoin mining, animal breeding and animal kennel and
- 9.1.3 A home occupation shall not employ any person on-site other than the resident(s) of the residential building; and
- 9.1.4 a home occupation conducted from a residential building shall not require more than one business associated visit per day; and
- 9.1.5 there shall be no outside storage of materials, commodities or finished products.

10. Landscape, Environmental Conservation and Development

- 10.1 Notwithstanding any other provisions of Schedules B and C, the following areas shall generally be left in their natural state upon any development of parcels containing such features:
 - 10.1.1 swamps, gullies and natural drainage courses;
 - 10.1.2 unstable land;
 - 10.1.3 land with a natural gradient of 15% or greater;
 - 10.1.4 a strip of land not less than 15 m (49.2 ft) in width along any river, stream or creek, such distance to be measured from the top of the bank;
 - 10.1.5 land within a 1:100 year floodplain.
 - 10.1.6 Any development within a floodway or flood fringe may only be permitted in accordance with Alberta Environment and Parks.
 - a. Non obstructive development may include, green space or parkland, golf courses, parking, open structures such as gazebos, and other non-obstructive development that in the opinion of the development authority does not change the elevation of the flood way and does not negatively impact the natural flow of water.
 - b. Development within the Flood Fringe that is subject to flood proofing measures and may require preventative engineering and construction methods recommended by a qualified professional as part of the development permit application process
- 10.2 The Development Officer shall be satisfied that the design and siting of all buildings have regard for the amenities and character of existing development in the municipality, the site landscaping causes minimal environmental disruption, and the development on treed parcels shall be sited such as to conserve those trees to the maximum extent possible.
- 10.3 For parcels which contain lands which are below the ditch grade of the adjacent street, upon review of a Development Permit application the Development Officer shall require the parcel owner to prepare a grading plan (which also may include a geotechnical investigation) to ensure that the development will not be subject to flooding.
- 10.4 When possible the finished grade elevation of a parcel of land shall be equal to or greater than the crown of the road and ensure positive drainage to the ditches.
- 10.5 In all cases, parcel grades shall be established to prevent drainage from one parcel to the next.
- 10.6 Lot Grading, Storm Water Management and Drainage
 - 10.6.1 The Development Officer may require, as a condition of a development permit, that a developer submit a storm water management plan or lot grading plan to the Village for approval.
 - 10.6.2 The grading of a lot associated with an approved development shall conform to the storm water management plan or lot grading plan approved by the Village.

- 10.6.3 On-site drainage, including drainage from overland, a sump pump, roof or high water, shall not be permitted to flow onto an adjoining private property or onto Village property, except in accordance with an approved grading plan. The land owner shall direct on-site drainage, including drainage from a sump pump, roof or high water onto the yards of their property and eventually to an approved road, ditch or reserve parcel.
- 10.6.4 All landscaping, topographic reconstruction, retaining walls, or site grading shall be confined to the property and shall not encroach onto any adjoining property including road rights-of-way, utility easements or rights-of-way, environmental or municipal reserves, or any other public or private lands excepting only where such encroachments, are expressly approved by the Village.
- 10.6.5 If a person alters lot drainage on a site so that water drains onto adjacent parcels, that person shall be responsible for corrective drainage structures, including retaining walls, to divert water from neighbouring properties.
- 10.7 Any retaining wall over 1.2 m in height must be designed and inspected after construction by a professional engineer. The land owner shall provide to the municipality the design and inspection report, both bearing the seal and signature of a professional engineer.
- 10.8 Any retaining wall over 1.2 m in height is subject to obtaining a building permit and complying with the Alberta Building Code, provided the retaining wall is:
 - 10.8.1 Adjacent to public property
 - 10.8.2 Adjacent to an access to a building; or
 - 10.8.3 On private property which is accessible to the public

11. Land Use Policies

- 11.1 Every action undertaken by the municipality and the Development Officer must be consistent with any land use policies established pursuant to the Municipal Government Act.

12. Municipally-Owned Land

- 12.1 Private development on municipal reserve or environmental reserve land is strictly prohibited.
- 12.2 Private development on municipally owned land including road allowances is strictly prohibited.
- 12.3 The cutting and/or removal of trees or underbrush from municipally-owned land is strictly prohibited, unless prior written permission is received from Council.
- 12.4 The temporary placement of any structure, object or materials on municipally owned land is prohibited, unless prior written permission is received from Council.

13. Non-conforming Buildings and Uses

- 13.1 non-conforming use of land or a non-conforming use of a building may be continued but if that use is discontinued for a period of six consecutive months or more, any future use of the land or building shall conform with the provisions of this Land Use By-law.
- 13.2 A non-conforming use of part of a building may be extended throughout the building but the building, whether or not it is a non-conforming building, shall not be enlarged or added to and no structural alterations shall be made thereto or therein.
- 13.3 A non-conforming use of part of a parcel shall not be extended or transferred in whole or in part to any other part of the parcel and no additional buildings shall be erected upon the parcel while the non-conforming use continues.

13.4 A non-conforming building may continue to be used but the building shall not be enlarged, added to, rebuilt or structurally altered except:

13.4.1 as may be necessary to make it a conforming building, or

13.4.2 as the Development Officer considers necessary for the routine maintenance of the building.

13.5 If a non-conforming building is damaged or destroyed to the extent of more than 75 percent of the value of the building above its foundation, the building shall not be repaired or rebuilt except in accordance with this Land Use By-law.

13.6 The use of the land or the use of a building is not affected by reason only of a change of ownership, tenancy or occupancy of the land or building.

14. Number of Buildings on a Parcel

14.1 The number of dwelling units permitted on a parcel shall be limited to one.

14.2 The maximum number of accessory buildings permitted on a parcel is three and that the combined total area does not exceed 12% of the total parcel area.

15. Sight Lines at Intersections of Roadways

15.1 At the junction of two streets, no fence, wall, hedge, or other planting shall exceed 1 m (3.28 ft)

in the height within a triangular area formed by the intersection of the boundaries of the said roadways, or their production (in the case where a corner cut-off has been previously registered), and points 6 m (19.69 ft) back from their intersection.

Sightlines (Figure 15.1)

16. Vehicles

16.1 Parking

- 16.1.1 A person using a parcel or building in any District as described in Schedule C of this Land Use By-law shall provide and maintain no less than two spaces per dwelling unit. The parking requirement for any uses not specified above shall be as required by the Development Officer.
- 16.1.2 Calculation of Parking Space - Each parking space shall have dimensions of no less than 3 m x 6 m (9.84 ft x 19.6 ft).
- 16.1.3 Parking spaces shall be located on the same parcel as the building for which they are being provided; however at the discretion of the Development Officer, parking may be located on adjoining property provided that a restrictive covenant, restricting the use of the property for parking only, is registered against its title.

16.2 Vehicle Access to Buildings and Land

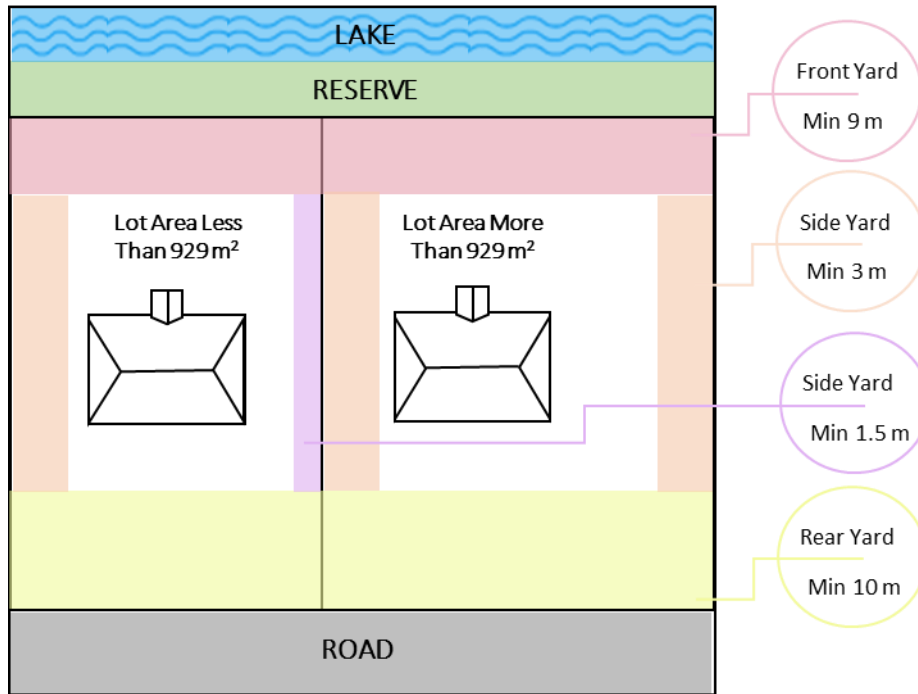

- 16.2.1 Any building into which a vehicle may enter shall have a driveway accessing the building at least 6 m (19.69 ft) in length. The driveway shall be connected to the vehicle access point of the building.
- 16.2.2 Driveways will not be permitted to cross public lands such as Municipal Reserve or Environmental Open Space.
- 16.2.3 All driveways and the design of the driveway must be approved by the municipality and must include a minimum requirement of a culvert (sizing to be determined on a site specific basis)
- 16.2.4 A width of driveways shall not exceed 7.2 meters (23 ft) unless, in the opinion of the development authority, additional width is required for public safety or to effectively convey traffic between a property and the street system.

17. Yards

17.1 Projections Over Yards

17.1.1 The portion of an attachment to a main or accessory building which may project over or on a minimum yard are:

- a. Side Yards – A cornice, sill, canopy, sundeck or eave, which projects a distance not exceeding one-half of the minimum side yard required for the building;

- b. Front Yards - An eave, cantilever, fireplace chase, sundeck, porch, or balcony, which projects not more than 1.5 m (4.92 ft) over or on the minimum front yard;
- c. Front and Rear Yard - Unenclosed steps, if they

do not project more than 2.5 m (8.20 ft) over or on a minimum front or rear yard; and

- d. Rear Yard - An eave, cantilever, fireplace chase, sundeck, porch or balcony which projects not more than 3 m (9.84 ft) over the minimum rear yard.

17.2 Objects Prohibited or Restricted in Yards

17.2.1 No persons shall keep in their yards:

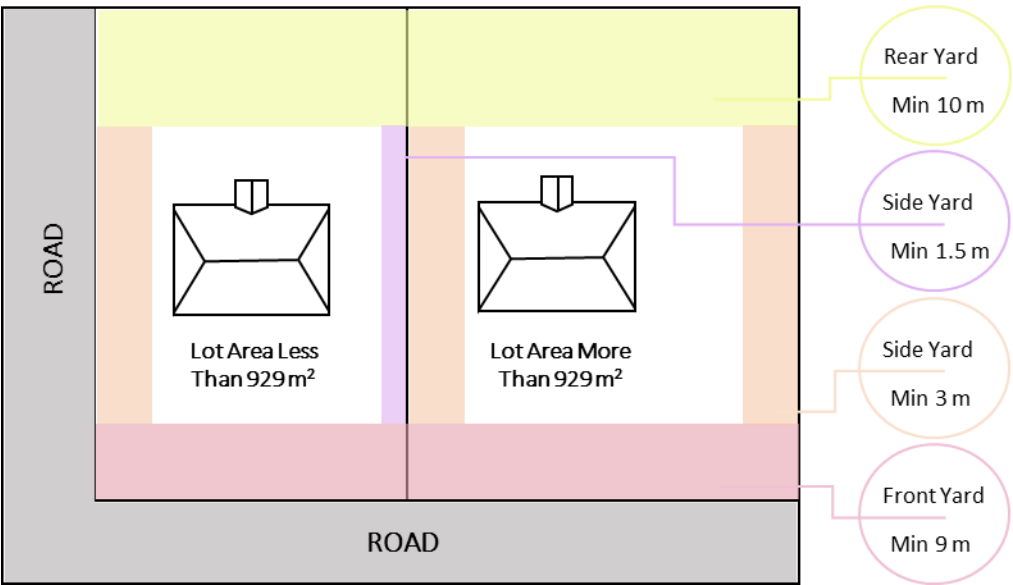

- a. any dismantled, wrecked or dilapidated vehicle for more than 14 consecutive days; and
- b. any fur bearing animal, fowl or livestock other than domestic pets.

17.2.2 Location and Minimum Depth of Yards

- a. The following diagrams illustrate the location and minimum depth of yards for lakeside and non-lakeside parcels/lots.
- b. Refer to Schedule B for accessory building siting and Schedule C for main building siting.

**BYLAW 188-22: DISPOSAL
OF SEWAGE AND WASTEWATER**

ATTACHMENT 2 – BYLAW 188-22: DISPOSAL OF SEWAGE AND WASTEWATER

A BYLAW OF THE SUMMER VILLAGE OF WHITE SANDS TO REGULATE THE DISPOSAL OF SEWAGE AND WASTEWATER WITHIN THE SUMMER VILLAGE.

WHEREAS authority is granted under the *Municipal Government Act*, R.S.A. 2000, Chapter M-26, as amended or replaced from time to time, to regulate and prohibit for Municipal purposes respecting the safety, health and welfare of people and property; and

WHEREAS authority is granted under the *Private Sewage Disposal Systems Regulation*, AR 229/97, as amended or replaced from time to time, that a municipality may make bylaws restricting the type of systems recognized in the Alberta Private Sewage Systems Standard of Practice in force that can be constructed or used in new installations of private sewage disposal systems.; and

WHEREAS there is a concern about the risk of contamination caused by private sewage systems and/or sewage holding tanks which are not constructed of reinforced pre-cast concrete; and

WHEREAS the Municipal Council of the Summer Village of White Sands deems it desirable to prohibit the disposal of sewage and waste water into the ground upon lands within the Summer Village;

NOW THEREFORE THE COUNCIL OF THE SUMMER VILLAGE OF WHITE SANDS ENACTS AS FOLLOWS:

1. In this bylaw,
 - a) "Council" means the Council of the Summer Village of White Sands.
 - b) "Owner" shall mean the person or persons registered as the owner or owners of a parcel of land within the Summer Village of White Sands.
 - c) "Sewage" is as defined in the current Private Sewage Disposal System Regulation.
 - d) "Sewage System" means a sewage system authorized by Section 5 of this Bylaw.
 - e) "Summer Village" means the Summer Village of White Sands.
2. Any Sewage System shall be installed and maintained in compliance with the provisions of the Alberta Safety Codes Act, R.S.A. 2000, c. S-1, the Alberta Private Sewage Systems Standard of Practice 2015, and the regulations thereunder as amended or repealed and replaced from time to time.
3. A Sewage System shall be installed and maintained on all those properties within the Summer Village of White Sands which are being used as permanent residences, cottages or for parking of recreational vehicles.
4. Notwithstanding Section 2 of this bylaw, a Sewage System shall be installed and maintained on all those properties within the Summer Village which have a Water System on them and or an outdoor privy.
5. Only Self-contained Sewage Systems will be permitted to be installed or replaced on parcels of land within all areas of the Summer Village of White Sands. Self-contained Sewage Systems include, connection to a municipal system and private sewage holding tanks that are constructed of reinforced pre-cast concrete and meet applicable/relevant CAN/CSA standards, but do not include non-concrete self-contained sewage holding tanks, disposal fields, treatment mounds, pit privies, or any other Approved System for the

disposal of sewage or waste water on a parcel of land which results in the disposal of sewage and/or waste water into the ground.

Bylaw 188-22
Page 2

6. A Bylaw Enforcement Officer or any designated officer of the Summer Village of White Sands shall, subject to compliance with the requirements of Sections 542 and 543 of the Municipal Government Act (Alberta) R.S.A. 2000, Chapter M-26, be entitled to enter any lands within the Summer Village for the purpose of carrying out an inspection to determine compliance with this bylaw.
7. When the designated officer finds that a sewage system has been installed in a manner that contravenes this bylaw, the officer may, by notice in writing, order the registered owner, the person in possession of the land or buildings, or the person responsible for the contravention to :
 - a) demolish, remove or replace the system or
 - b) take such other measures so that the installation conforms with this bylaw
8. Where a person fails or refuses to comply with an order directed to him under this bylaw within the time specified in the notice the designated officer may enter upon the land or building and take such action as is necessary to carry out the order.
9. When the designated officer carries out an order, the Council shall cause the costs and expenses incurred in carrying out the order to be placed on the tax roll as an additional tax against the property concerned and that amount shall be collected in the same manner as taxes on land.
10. Any owner of a parcel of land which contravenes this bylaw is guilty of an offence and liable on conviction:
 - a) for the first offence, to a fine of \$500.00;
 - b) for the second offence, to a fine of \$1,000.00; and
 - c) for the third and each subsequent offence, to a fine of \$2,500.00;

and in addition to those fines, for each offence the owner of the parcel of land is additionally liable to a fine of \$100.00 per day for each day that the property remains in contravention of this bylaw.
11. Each separate provision of this Bylaw shall be deemed independent of all other provisions, and if any provisions of this Bylaw are declared invalid all other provisions shall remain valid and enforceable.
12. Bylaws No. 125-09, 124-09, 102-05, 101-05, 87-01, 84-99, 78, 72, 57 and 155-16 are hereby repealed.

This bylaw shall come into force and effect on the date of its final reading.
