Prepared by: Administration Number: X

Title: **Snow Removal for Property Access**

Purpose: To provide guidelines to outline the levels of service that the Summer Village of White Sands may provide regarding snow removal.

Policy Statement: Plowing of public roads is done as needed to ensure access for emergency vehicles and safe passage for other vehicles. Since we are dependent on contracting out plowing services during large snow events, we do not have a guaranteed removal time.

Plowing services do not include:

- Clearing driveways, sidewalks or walkways
- Guaranteeing plowing by a particular time.
- A guarantee of complete ridge removal. Staff will endeavor to remove all of a ridge, but they are given discretion as to whether any hazards are present, what the equipment can handle, and the priority level given to this service.
