

SUMMER VILLAGE OF WHITE SANDS

Prepared by: Administration **Number:** XIV
Adopted by: White Sands Council **Date:** April 13/22
Amended: **Resolution#** 2022:01:073

Title: **Brush Pick-Up**

Purpose: To provide a policy to reduce costs and discontinue a service that was previously offered.

Policy Statement: The municipality will discontinue brush pick-up from the boulevards of residential properties. Due to rising costs in fuel, wages, vehicle maintenance, and equipment replacement, the municipality cannot continue to provide this service at no cost.

Any properties that leave a brush pile in the municipal boulevard will be required to remove at their own cost. If the municipality is required to do the clean-up, then the property owner will be invoiced \$150.00/hr for removal and disposal. The fee will be moved to your tax roll on the last day of December of the calendar year if the invoice is not paid.
